

Origins Liners from Evolution Ind.

Based upon their original custom Silk Liners, EVOLUTION standard sizes in both **cushion and locking configurations** are now available from SPS. Matrix comes standard in the Origin Locking liner and as an option in the Origin Cushion Liner.

Evolution Origin Sleeve is made from a platinum cured silicone that will not absorb body fluids. Origin sleeve has a matrix reinforcement for greater durability.

- Manufactured of medical grade silicone developed specifically for the Orthopedic Industry
- Doesn't reduce in thickness or change shape over time.
- Superior tensile and tear strength
- A silky surface that allows the liner to slide on itself
- No coatings that crack, peel or wear off
- No covers to tear or run
