

WalkAide® System 2010 Training Course Registration Form

SPS is pleased to host the WalkAide System Training Course. This **one day 8 hour course** covers the fundamental principles of Functional Electrical Stimulation (FES) and provides detailed instruction on operation of the WalkAide System, patient evaluation, functional testing, gait assessment, device application and use of the new WalkAnalyst™ software and new Bi-Flex Cuff.

For your convenience, a registration form is provided below. Please fill out the form, check your preferred date/location and fax to (800) 779-4932. Call Kim Martin at 800-767-7776 x 173 with questions.

Upon receipt, you will receive confirmation of your registration, specific course location and logistical information as well as additional course information. Thank you for your interest in WalkAide and we look forward to seeing you soon.
