

# bebionic Course Registration Form

SPS is pleased to present its **four hour (1/2 day ) course** on the **bebionic** hand from RSLSteeper. This course provides instruction on the operation of the **bebionic** hand, patient evaluation, functional testing of myo-electric control, integration, cosmesis options and use/care of the newest myo-electric prosthetic hand - the **bebionic** hand.

For your convenience, a registration form is provided below. Please fill out the form, check your preferred date/ location and fax to (800) 779-4932. Call Kim Martin at 800-767-7776 x 173 with questions.

Upon receipt, you will receive confirmation of your registration, specific course location and logistical information as well as additional course information. Thank you for your interest in the **bebionic** hand and we look forward to seeing you soon.
