

TRY A PAIR OF NEW CORE-SPUN SUPPORT SOCKS FOR FREE!

- Ultra stretchy yarns make the socks easier to put on and the added thickness provides all-day comfort.
- Provides True Gradient Compression with controlled amount of pressure - Greatest at the ankle and gradually decreasing toward the proximal edge
- Utilizes Spandex "core yarn" with anti-microbial X-STATIC®/polyester yarns (black) or CoolMax® (white) twisted around the core to provide superior comfort and wick away moisture.
- Substantially easier to put on than traditional compression garments
