

softSHELL™

For children that want a soft feel and a fun look, Allard USA's SoftSHELL combines the padding system of softKIT with a stretch textile front to form a sleeve which glides over the anterior shell. KiddieGAIT's Fun Print textile front for boys is red racecars (shown right) and pink hearts for young girls (far right).

softSHELL Size	Girls Pink Fun Print	Boys Red Fun Print P/N
Small	283890011	283880011
Medium	283890012	283880012
Large/XL	283890013	283880013
