

COMBO THERAPY CEU REGISTRATION FORM

***Innovations in Dynamic Assist Orthotic Therapy to Rehabilitate Hemiplegic Gait***

June 5, 2024 @ 12 pm EST

June 5, 2024 @ 12 pm PST

John Kenney, BOCO, PhD, will be the course presenter. For the past 10 years Dr. Kenney has participated in research on the correction of movement pattern abnormalities which have been linked to the progression of Knee OA as well as increasing recovery time from knee injury/surgery and Hemiplegia. He is also a Past Chairman of the Regional D Medicare Advisory Committee for Orthotics and Prosthetics. **This course is approved for ABC and BOC Certified Clinicians.**
