Pro Tip: Once you select the supplier you need, use the filters on the left to narrow your search down (e.g., filter by category or L-Code)

Narrow your search with **filters**

Filters help narrow down your search results.

- In this example, I searched for **“liners”**.
- I want to find **Prosthetic Liners**.
- To narrow down 807 search results, I’m going to filter by **product category**.
- I expand the Category filter by clicking the **+** symbol and find **Prosthetics** → **Prosthetic Liners.***
- You could also filter by Rewards, Price, Supplier, or Supplier L-Code.

The screenshot shows the SPS website interface. At the top, there is a navigation bar with 'Support', 'Quick Order', 'My Account / Sign In', and '0 Cart'. Below this is a search bar containing 'liners' and a navigation menu with 'PRODUCTS', 'SUPPLIERS', 'RESOURCES', 'REWARDS', 'ABOUT US', and 'BLOG'. The main content area is titled 'Search results for 'liners'' and shows 807 results. On the left, a 'Filters' sidebar is expanded to show the 'Category' filter, which is set to 'Prosthetics (633)'. Under 'Prosthetics', 'Prosthetic Liners (12)' is selected. Below the filters, there are sections for 'Rewards', 'Price', 'Supplier', and 'Supplier L Code', each with a '+' button. The search results are displayed in a grid of four items, each with a 'VIEW DETAILS' button. The first item is '1CL105S8 CRANIAL IMPRESSION LINER' by 'KNIT-RITE'. The second is '9153 SILICONE OVEN LINER' by 'APEX'. The third is 'FH30102 CONTRACTURE BOOT LINER' by 'TRULIFE O&P'. The fourth is 'FH30104 CONTRACTURE BOOT LINER' by 'TRULIFE O&P'. The images for the second, third, and fourth items are missing, showing 'Image Coming Soon'.
